Keep Your Career
Going In The
Right Direction

Become an
AEA Member!

Features

AEA is the voice of Settlement Industry in Washington, DC. We are recognized, respected and well received by the federal regulators at HUD, the new Financial Consumer Protection Agency as well as members of Congress. We also partner with other national trade associations such as the National Association of Realtors, American Land Title Association and American Mortgage Lenders Association in promoting a better understanding of the issues facing the real estate industry within the minds of those who set policy and require compliance.

Advantages

As an AEA member, you will receive up-to-date information from the front lines of Washington on any proposed changes that will impact our industry. You will also be provided many educational opportunities to better prepare yourself for when those changes land on your day-to-day desk.

Benefits

By joining your voice to that of AEA, you will be heard! Through the strength of our numbers we are making great strides in improving the image of the Settlement Industry, not only in Washington but also across the nation.
